

Welcome to Parent's Day Out. This is a great way to gently introduce your child to being away from you and the family. The ratio of children to adults is ten to two. We feel this is an excellent environment where your child will have an abundance of individual attention while learning to become independent in a group setting. During these three hours your child will experience art, stories, outside play, music, snack, and free play within the learning centers. Unlike our preschool, the parents are not required to work in the classroom. You are asked to bring a diaper bag with diapers, wipes, a change of clothes, and a drink. Please label all items. We will supply an age appropriate snack for your child.

Due to the limited enrollment, reservations and payment are due the last day of each month for the following month. If your child is sick or you will not be attending on a given day, you must notify the office the day before so we are able to fill the spot with another child who may be on the waiting list. You will then be given a credit that can be used the next month. If we do not hear from you we will not refund or credit any money.
